

Tumble Into Fun

TumbleBooks™

The TumbleBooks library is an online collection of animated, talking picture books that teach young students the joy of reading in a format they'll love. The use of animation, sound, music and narration produce an interactive experience ideal for independent or group reading.

Favorites such as *The Paper Bag Princess* by Robert Munsch, as well as beloved fairy tales such as *Jack and the Beanstalk* and *Old Mother Hubbard* come to life in an educational and interactive way.

TumbleBooks' annual subscription includes licensed, PreK-4 titles from trusted children's book publishers that can be accessed online from any computer in your school library or from home.
